

Winslow Public Schools

Chromebook RFP

Deadline for Receipt of Proposals: May 5, 2017

Proposals to be submitted by email to wbackman@aos92.org

Winslow Public Schools is seeking proposals for 100 student chromebooks with the following minimum specifications:

- ChromeOS operating system
- 11 inch screen or larger
- 4GB of RAM or greater
- Touch screen with 180 degree hinge which allows tablet and/or tent mode
- Field replaceable battery
- Integrated microphone and camera
- Stereo speakers, headphone/microphone jack(s)
- 802.11 AC Wireless networking
- Google management license

Cost of delivery must be included in your proposal either as a separate line item (preferred) or built into Chromebook cost.

Please also describe any ruggedized features (drop rating, peel resistant keys, spill or water protection, etc.)

Please explain the warranty repair process including shipping costs, if any. Also, explain how easy it will be for us to make simple repairs (battery, keyboard, screen, memory, storage) in house. Provide the current price of spare parts including keyboard, screen, and battery for repairs that we perform in house.

The intent is to purchase the devices prior to June 2017, although this RFP is no commitment to purchase.

Questions can be emailed to wbackman@aos92.org.

The contract will be made with the provider whose proposal is determined to be in the overall best interest of the schools. The main evaluation criteria are price, device features, warranty, and total cost of operation over the life of the product. Winslow Public Schools reserve the right to reject any or all proposals received and to waive any informality in the RFP.
